30TH 2023

SPONSORSHIP FORM

Proceeds Benefit Father Vincent's Veteran's Research Therapeutics

The Great American Pull is a test in physical endurance. Competitors have to make a deliberate attempt to overcome the insurmountable odds of moving the very very huge and difficult, 80,000-pound tank loaded on a flatbed, and the famous "Bam Bam" Mission Barbecue truck. We call on all gyms, law enforcement, labor unions, veterans, patriots, government employees, and the very strong to compete in this huge challenge to move the tank in record time and distance against many other 20 member or less teams. Sign-up today. Participating in the Great American Pull will benefit our veterans, many of whom, suffer from various physical and mental disabilities, particularly those who are homeless with no ability to pay. This ensures the fact that we are a grateful nation, and their service will never be forgotten. No VET left behind! The City of Angels Recovery Wellness and the Father Vincent R. Capodanno Veteran's Research Therapeutics Initiative is proud to serve our Veterans with new dynamic therapies showing promising results. Your efforts will help fund these veteran services. **YIKES, WHO WILL BE THE WINNING TEAM???**
